

Scart Solutions

Corporate Identity & Stationery Design

A refined corporate identity system designed to reflect Scart Solutions' vision of innovation, reliability, and forward-thinking solutions.

PROJECT OVERVIEW

Client

Scart Solutions Pvt Ltd

Industry

Technology / Business Solutions

Objective

To create a modern, distinctive and trustworthy corporate identity that represents innovation, technical expertise and dependable business solutions.

Design Direction

A clean and structured visual identity combining deep navy and vibrant cyan to communicate professionalism, technology, confidence and forward momentum.

Deliverables

- Logo Design
- Corporate Seal Design
- Business Card Design
- Letterhead Design
- Corporate Stationery Layout
- Print-ready Brand Presentation

LOGO DESIGN

ABOUT THE LOGO

The logo mark is a custom geometric monogram built around the letter S, enclosed within a strong angular form. Its interlocking structure represents connection, integration and the ability to bring multiple business solutions together under one dependable brand.

The sharp lines and balanced construction reflect technology, precision, stability and continuous progress.

IDENTITY APPLICATIONS

BUSINESS CARD

LETTERHEAD

CORPORATE SEAL

THE OUTCOME

A unified corporate identity that strengthens brand recognition, ensures consistency across business communications and positions Scart Solutions as a modern, dependable and forward-thinking solutions provider.
